## **Section 1: Welcome to the Michigan Housing Community**

### **Welcome**

Welcome to your community! In a university, you learn just as much outside the classroom as you do within it — and much of that learning will happen right here, in your experiences as a resident in Michigan Housing (“M Housing”).

It is important that all members of the M Housing community act in a manner that demonstrates respect and consideration for those around them. As individuals within a community, we all have a responsibility for our own actions, which includes holding ourselves and each other to a higher standard. Together we can build a sustainable community that is learning-centric and growth-oriented.

### **Mission of M Housing**

The mission of M Housing is to create and sustain diverse learning-centered residential communities that further the goals of the University. Through partnership with others, we provide quality programs, services, and facilities for those we serve.

### **Common Terminology**

Throughout this document the following terms are used and defined as:

- “Residential community” refers to all communities within M Housing, undergraduate buildings, graduate and professional buildings, houses, suites, and apartments.
- “Resident” refers to the primary contract holder residing in the space.
- “Room,” “space,” or “assignment” denotes the space which has been contracted: apartment, room, and suite; this is inclusive of storage space connected to the address.
- “Guest” or “Visitor” refers to any person who does not hold an M Housing contract for the specified student room.
- “Household member” refers to individuals other than the contract holder who are authorized to live in the Northwood apartments.
- “Housing Contract” refers to the overarching agreement between residents and M Housing regarding their living space. The Housing Contract, found in your Housing Portal, is inclusive of the contract, [Terms and Conditions](#), and Community Living at

Michigan (CLAM). A signed M Housing Contract demonstrates agreement with all provisions.

### **Revisions of the CLAM**

Every effort has been made to ensure the accuracy of information contained in this electronic document. In general, the CLAM and associated processes are reviewed and adjusted yearly. M Housing reserves the right to change processes, make corrections, or update information as necessary; if that were to occur, contract holders will be notified of material changes.

## **Section 2: Living in M Housing Support and Accommodations**

### **Religious and Cultural Accommodations**

Religious or Cultural accommodation requests should be shared when completing the M Housing general housing application, or soon afterwards. If you have questions or would like to receive information on how to request an accommodation, please contact the M Housing Diversity and Inclusion Office at [hsg-accommodations@umich.edu](mailto:hsg-accommodations@umich.edu). Information can also be found on the [housing website](#).

- Accommodations that may impact a housing room assignment should be made at the time of applying for housing or soon afterwards. See the [M Housing Terms and Conditions](#) for details.
- Accommodations must be approved before modifications to facilities occur or prohibited items are brought into the residential community. This may include but is not limited to university installation of a bidet or other item, lock change, or a room relocation.
- Bidets are only permitted in Northwood Community Apartments and must be installed by the Student Life Facilities staff. The resident is responsible for purchasing a seat-style bidet from the approved list. To request a bidet, contact [hsg-accommodations@umich.edu](mailto:hsg-accommodations@umich.edu).
- The use of candles and incense is not permitted inside M Housing residence halls or apartments. Candles and incense may be permitted, with approval from the Fire Marshall, for one-time use outdoors on University property at a designated date and time. For additional information, contact the M Housing Diversity and Inclusion Office at [hsg-accommodations@umich.edu](mailto:hsg-accommodations@umich.edu).
- Outdoor religious structures (e.g. sukkahs) must be approved through the [University Outdoor Event Policy](#) process.

### **Medical and Disability Accommodations**

Detailed information regarding a request for medical, health, or disability-related accommodation can be found on the [housing website](#) and as part of the housing application process. Requests are reviewed as they are received by the Services for Students with Disabilities Office (SSD). Contact the M Housing Diversity and Inclusion Office at [hsg-accommodations@umich.edu](mailto:hsg-accommodations@umich.edu) or SSD at [ssdoffice@umich.edu](mailto:ssdoffice@umich.edu) with questions.

### **Diversity and Inclusion and Campus Climate Concerns**

Members of the residential community that have been harmed or negatively impacted by an incident based on their identity can report their concern to a M Housing full time or student ResStaff member. These concerns may include, for example, feeling targeted because of an identity they hold or something personal to the individual, not feeling a sense of belonging or inclusion, intercultural conflict, or something occurring nationally or on campus. It may also include being impacted by discrimination, harassment, bullying, bias or prejudice-motivated actions or unfair treatment by an employee, resident, or visitor of M Housing. These concerns can be reported in the following ways:

#### **M Housing Diversity and Inclusion Team:**

The M Housing Diversity and Inclusion Team, made up of full time staff, are available to meet with residents and provide follow up when they are impacted by a situation. The team can be reached at [diversityandinclusion@umich.edu](mailto:diversityandinclusion@umich.edu). Their offices are located in The Connector (West Quad) at 603 East Madison Street.

#### **ResStaff: Diversity Peer Educator (DPE) or Resident Advisor (RA) or ResStaff Coordinators (RSC)**

DPEs, RAs, and RSCs serve as a resource to support residents who are harmed or impacted because of their identities. For guidance on how to contact a DPE, RA, and RSC, please ask a staff member at the Community Center or call the nightly duty phone number located at the Community Center.

#### **Full time Staff: Hall Director or Community Center Manager**

Residents can find contact information for their Hall Director and Community Center Manager on the [M housing website](#). On that page, select the “Housing” tab at the top right of the page to find the desired Housing community. The staff names and contact information are noted under “Helpful Information” located on the right of the page.

## Section 4: Specific Community Considerations

### Northwood Apartment Community Specifics

Due to the nature of the Northwood residential community, some items are allowed that are not permitted in other areas. If a Northwood resident is unsure about an item, check with [housing@umich.edu](mailto:housing@umich.edu). All items listed must, where applicable, be Underwriters Laboratory (UL)-certified. You will be held responsible for damages incurred as a result of unsafe use of permitted items.

#### Appliances

- Freezers and additional refrigerators are permitted in Northwood IV and V only
- Over the counter dishwashers are permitted in Northwood I, II, IV and V.
- Grills/Barbeque grills: only commercially purchased charcoal or propane may be used in Northwood Community Apartments. The use of any grill at any time must occur outside of the apartment on the ground level in an open-air environment. Burning of wood, twigs, dry brush, and other items is prohibited.
  - Use of grills on upper level stairwell landings is prohibited.
  - Propane tanks are allowed outside of the apartments for use with gas grills only.
- Space heaters: Portable electric baseboard and flat panel heaters are permitted. These heaters must meet the following criteria: (a) must be electrically powered, (b) must be an oil-filled heater, (c) must have automatic overheat shutoff protection, and (d) must automatically shut off when tipped over.
- Washers and dryers are permitted in Northwood I if a hookup is present (See [Laundry Options](#))

#### Playground Equipment and Toys

- Outdoor playground equipment and inflatable toys, exceeding six feet in height, are prohibited. All outdoor toys are the responsibility of each resident; they should be labeled properly and should not be left outside in courtyards, common areas or in sandboxes. All toys must be placed indoors or stored in areas specifically designated for storage such as fenced toy lots

or apartment patios when not being used.

- Parents and/or legal guardians will be held responsible if their toys or equipment contribute to an unsafe condition or negative appearance that impacts the aesthetics of the overall Northwood Community. Some examples include toys or equipment that obstruct walkways, ingress, and egress or appear to be broken and/or abandoned. Toys/outdoor equipment that are not properly labeled and/or stored will be visibly tagged for potential removal by University staff. If after 48 hours the tagged item has not been removed or stored it may be removed by University staff.
- Surface water pools are permitted in NW I, II, IV and V and cannot exceed four feet in diameter and two feet in depth. Children in or around pools must be supervised by a parent or someone charged by the parent with the responsibility of supervision at all times. Pools must be emptied (and stored in a manner that prevents water from collecting) when not in use.

#### Patio Furniture

- Patio furniture is allowed but must remain in patio areas. In the event University personnel are required to move such furniture to conduct their duties, the University will not be responsible for damages. Residents will be held financially responsible for any labor charges.

#### Children's Safety

- Children may not be left for any period of time without adult supervision. Parents and/or legal guardians are held responsible at all times for the behavior of their children. The University retains the right to use all available contract provisions and to cooperate with any local or state agency when cases of child neglect or abuse are made known.
- During University activities involving children, such as programming in Northwood Community Apartments, the supervision responsibility remains with the family or family designee and not University staff. Please review the [Children on Campus Policy](#) for more information.

### **Section 5: Housing Support & Community Responsibility**

While living in M Housing, policy violations of the CLAM that require follow-up may go through the internal, administrative process called the M Housing Support & Community Responsibility (HSCR) Process. The [HSCR Process](#) has been developed with restorative

justice principles in mind, while still recognizing the balance of needs with individuals and a community as a whole. The process strives to resolve conflicts by promoting understanding and appreciation of the community living standards, encouraging residents to take responsibility for their own actions, ownership for their community, and engage with all the affected community members in the resolution. The HSCR process, as an administrative process, uses a preponderance of the evidence as the standard of proof.

Because some of the violations of the CLAM are also violations of the law, residents may be accountable to both the legal system and the University. Additionally, M Housing reserves the right to file a complaint under the [Statement of Student Rights and Responsibilities](#) against a resident. These processes are separate and may occur independently or simultaneously of each other.

M Housing recognizes that each situation is unique, and conflicts will be handled on a case-by-case basis.

For more information about the HSCR Process, please see the [M Housing Website](#) at or contact [HSCRprocess@umich.edu](mailto:HSCRprocess@umich.edu).
